For a full list of features, [click here.](#)

This beautiful tiny home was made in conjunction with Summit High School students, Summit County Builders Association, and Careers in Construction Colorado (CICC): an HBI (Home Builders Institute) aligned build.

Contact:

Contact Dr. Scott Cooper, EPIC Director at scooper@crbores.org for more information, schedule a tour of the tiny home (virtual tours are available as well), and to make an offer.

For more information on EPIC, visit: <https://pathwaycenter.org/>

*All proceeds from the sell of EPIC Tiny Homes will fund the next tiny home construction project at a participating school.
